Notes to Consolidated Financial Statements
Unaudited
For the three months ended March 31, 2003

Note 1 - Accounting Policies

These interim financial statements follow the same accounting policies and methods of the audited financial statements for the year ended December 31, 2002 and should be read in conjunction with the audited financial statements for the year ended December 31, 2002.

Note 2 - Future Operations

The Company's ability to continue as a going concern is dependent upon securing financing arrangements to meet its obligations as they come due. In recognition of these conditions, the Company is currently actively pursuing various funding alternatives, however, there is no guarantee that the Company will be successful in raising the necessary financing.

These interim financial statements have been prepared on a going concern basis, which contemplates the continuity of operations and the ability of the Company to meet its obligations as they come due. The accounts reflect no adjustments relating to the recoverability and reclassification of assets or the amounts and classification of liabilities that might be necessary should the company not be able to continue normal business operations, and these adjustments may be material.

Note 5 - Subsequent Event

On May 16, 2003 the Company entered into an agreement with a group of investors for a private placement of a minimum of five million Units totalling one million dollars (\$1,000,000). The investors are led by Gerald P. McCarvill and Forbes & Manhattan, Inc. (the "Investors").

Each Unit consists of one Common Share and one Common Share purchase warrant ("Warrant") at a price of \$0.20 per Unit. Each Warrant entitles the holder to acquire one Common Share for a period of two years from the date of issuance, exercisable at a price of \$0.20 per share.

The proceeds will be used by Crowflight for Phase I of the exploration program of its 100% owned AER-Kidd property as well as for general corporate purposes and debt reduction.

The transaction is subject to legal and technical due diligence and the Investors have until May 23, 2003 to complete the due diligence. The transaction is scheduled to close on or about May 27, 2003. Upon closing, the current officers and directors of Crowflight will resign. The new Board of Directors is to initially consist of five members, Gerald P. McCarvill, Stan Bharti, President of Forbes & Manhattan, Inc., Paul Carroll, Wolfgang H. Kyser and Keith Minty.

In connection with the change of management it is anticipated that a total of 2,600,000 options to purchase Common Shares of Crowflight at a price of \$0.20 per share will be granted to the incoming directors and officers.

Mr. James Brady, the current President and CEO of Crowflight will be retained to act as a consultant for Crowflight, assisting with the exploration program on Crowflight's AER – Kidd property.

Completion of the transaction is subject to a number of conditions, including the approval of the TSX Venture Exchange and satisfactory due diligence by the Investors.
